

REMARKS

Applicant thanks the Office for its careful review and prompt notification regarding this important patent application. As was indicated in the notice, a FIG. 4E was referenced in the Brief Description of the Drawings, but the application did not contain a FIG. 4E. Reference to FIG 4E was made at the above-indicated paragraphs as found on pages 14 and 18. These paragraphs have been amended to delete reference to the FIG. 4E. Thank you again for calling this discrepancy to Applicants' attention.

Very respectfully,

SMITH & HOPEN
